DECISIONS OF GOVERNMENT IN REVENUE CASES.

DECEMBER 1891.

Serial No.	Proceedings. No.	Date.	To whom sent.	Subject and Order.
1	9486—P. 161.	1st	The Deputy Commissioner of the Bangalore District.	**Appeal No. 428 of 12th January 1890.** *Appellant.* *Vs.* *Respondent.* Maligappa of Vabasandra, Hoskote Taluk. — Basappa. In 1887, the Respondent purchased a building site at Hasagod in an auction held by Government for Rs. 10, and the sale was confirmed after a long correspondence in February 1889 Before the sale was confirmed, Appellant claimed the site as his, but his claim was rejected as he failed to establish his claim. The Appellant has since produced an authenticated copy of Ajmayishi Patti of 1863 which shows that the site sold was his and he now claims it. But the Respondent has, since he took possession of the land, raised some mud walls on the land costing, according to his own estimate, Rs. 30. *Decision.*—Under these circumstances the Government considered that the Appellant may be allowed to have his land on his paying the Respondent the cost of the walls he has raised in good faith. The Deputy Commissioner was accordingly requested to cause the cost of the walls to be estimated by a Panchayet and to make over the land to the Appellant on his paying the same to the Respondent within a such time as may be fixed by him (Deputy Commissioner). The sale proceeds may be refunded to the Respondent. If the Appellant fails to pay the cost of the walls, he should be referred to Civil Courts for redress and Respondent left in possession. There is no hardship in this, as he failed to prove his title before the sale was confirmed, and it is only the evidence which he subsequently produced that gives him a claim.
2	9487—P. 167.	Do	The Deputy Commissioner of the Kolar District.	**Appeal No. 5 of 30th March 1891.** *Appellant* .. Venkatappa of Kolar. Certain enfranchised Kodigi Inams which stood in the name of one Krishnappa, a collateral

				of the Appellant, were sold for arrears of revenue amounting to Rs. 100-8-0 on the 22nd March 1890. The Appellant, the son of one of the sharers, purchased them for Rs. 121. Krishnappa and another sharer complained against the sale on the ground that Appellant's father, who was a sharer in the Inam, was alone responsible for the arrears, as he enjoyed the produce of the lands. The Deputy Commissioner Mr. Abdul Rahman finding that their statement was true, cancelled the sale on 6th June 1890, and ordered the money paid by the Appellant as purchase money to be credited to the arrears due on the inam lands under notice, and also on some other lands of Appellant's father. The appeal is against this order. *Decision*—Considered that the proceedings of the Deputy Commissioner were irregular. The registered holder Krishnappa had due notice of the arrears, and he allowed the inams to be sold. The Government have nothing to do with the question as to who enjoyed the produce. If the registered holder wanted to save the inams from sale, he should have paid the arrears due and proceeded against Appellant's father in Civil Courts. There was no irregularity in the sale and it should have been confirmed, but considering the time that had elapsed since the sale was cancelled, and as probably there is some truth in the statement of the registered holder, the Government were not disposed to annul the order of the Deputy Commissioner altogether He was directed to refund to the Appellant the money paid by him, and to proceed against the inam lands afresh for arrears due. Shareholders in inam lands are not debarred from buying them in a public auction held for arrears due by them jointly.
3	9488—P. 124.	1st	The Deputy Commissioner of the Tumkur District.	Appeal No 155 of 18th April 1891. *Appellant.* *Vs.* *Respondent.* Narasaiya of Palaparti, Pavagada Taluk. Dasanaboyi. Appellant's brother's widow Chinnamma presented to the Amildar a razinama on 28th February 1889, transferring her Patta lands to the Respondent. On the same date, before the razinama was accepted, the Appellant having objected to the transfer, the Respondent as well as Chinnamma agreed verbally before the Amildar to transfer the land to the Appellant on his

				paying the Respondent the price of the land (Rs. 10 or Rs. 12) which he had paid to Chinnamma. Chinnamma accordingly presented a fresh razinama in favor of the Appellant on 9th March 1889, which was confirmed by the Amildar. In June 1889, the Respondent presented a petition to the Amildar claiming the registry in his name, and on the matter being referred to the Deputy Commissioner for orders, he directed in July 1889 to transfer the registry to the Respondent, on the ground that Chinnamma had no right to withdraw the razinama once presented before the Amildar. The appeal is against this order. *Decision.*—Held that the Deputy Commissioner erred in his view. Any one that has the right to present a razinama has also the right to withdraw it before the issue of a Patta. In this case, the transfer was withdrawn not only before a Patta was issued, but also before the razinama was accepted by the Amildar. The Deputy Commissioner's order was therefore cancelled. The Patta must be issued in the name of the Appellant.
4	9489—P. 112	1st	The Deputy Commissioner of the Hassan District.	Appeal No. 574 of 13th June 1891. *Appellant.* .. Deddeganda of Hemmige, Manjarabad Taluk. Certain coffee lands were sold in public auction in August 1890, at which Appellant purchased them for Rs. 636. Before the sale was confirmed, the Deputy Commissioner received several complaints that the intended sale was not properly published in all the neighbouring villages, and the Deputy Commissioner ordered a resale which was held in March 1891, at which one Krishnabhatta purchased the lands for Rs. 1,000. The 2nd sale was confirmed in May 1891. In the meantime, Appellant took possession of the lands and cultivated some of them. The appeal is that the 2nd sale was improper. *Decision.*—Considered that the Deputy Commissioner was fully justified in ordering a second sale, and there is no reason for cancelling it. Appeal dismissed.

One Muhammad Sab fell into arrear amounting to Rs. 58, and his lands were sold in a public auction in August 1890, at which Appellant purchased them for Rs. 195. The Assistant Commissioner cancelled the sale in December 1890, on the complaint of the son of the defaulter, on the ground that certain sums paid by him for arrears were credited for demarcation charges and that the sale was irregular. The appeal is against the cancelment of the sale. *Decision.*—Held that there was no reason for setting aside the order of the Deputy Commissioner. Appeal dismissed.
6	9629—P. 199.	Do	The Deputy Commissioner of the Mysore District.	Appeal No. 2880 of 21st February 1891. *Appellant* .. Sitaramaiya of Nanjangud. Certain lands at Malur belonging to one Pir Sab were sold for arrears of revenue in August 1890 at a public auction, at which Appellant purchased them for Rs. 110. On the complaint of the defaulter, the Assistant Commissioner cancelled the sale in November 1890, on the ground that proper account of the money due was not rendered to the defaulter. The appeal is against the cancelment of the sale. *Decision.*—Held that there was no reason for setting aside the order appealed against. Appeal dismissed.
7	9632—P. 163.	Do	The Deputy Commissioner of the Bangalore District.	Appeal No. 2439 of 6th January 1891. *Appellants.* *Vs.* *Respondent.* 1. Hosahallaiya. Nanjegauda. 2. Akkalachu. 3. Rudraiya, son of 1st Appellant, Nagenhalli, Magadi Taluk. Kadegauda, the late father-in-law of the 2nd Appellant, who was the uncle of the 1st Appellant, was the Patel of Nagenhalli. In 1874, the then Assistant Commissioner ordered one Muddegauda, the Patel of Chaudebegur, to do the duties of the office, on the ground that Kadegauda was

				old and unfit for work. Muddegauda died shortly afterwards, and his son Kariyanna was appointed. This man too died in 1889, and no one was appointed in his place, but the duties were performed by his cousin named Chittaiya. In 1885, Chittaiya ceased to do duties owing to some complaints against him, and the duties were performed by the Shanbhog. In 1889, the Amildar appointed Respondent, son of Kariyanna, and this was confirmed by the Deputy Commissioner in 1890. The appeal is against this appointment. The 1st Appellant appears to have claimed the office in 1885, but no notice was taken of his claim. *Decision.*—Held that Respondent had no sort of Hak for the office. He did not deny that the 1st Appellant is the nephew of the former Hakdar, and the only thing that could be said against him was that he did not claim the office for a period of nearly 11 years. Considering, however, the fact that Respondent himself had no uninterrupted enjoyment of the office from 1874, that the arrangement of that year was one intended to cause the due performance of the Pateli duties and not any transfer of the Hak, and that the Appellant had been claiming the office from 1885, the Government were pleased to direct that the 1st Appellant or his son, the 3rd Appellant, be appointed as Patel.
8	9626—P. 162.	1st	The Deputy Commissioner of the Bangalore District.	With reference to letter No. 97, dated 30th April 1890, from the Deputy Commissioner, Bangalore District, recommending the resumption by Government of certain lands in the Chikkantanahalli village, Closepet Taluk, which contain valuable trees but which were given away to Shanbhog Ramaiya for the small sum of Rs. 360 at a public sale held on 2nd February 1889, the Deputy Commissioner was informed in Government Proceedings No. 6579—294, dated 4th September 1890, that the sale of the lands with the trees, without consulting the Forest Department, was quite irregular, and he was requested to ascertain and report whether the Pattadar, Shanbhog Ramaiya, was willing to give up the lands if the purchase money as well as the Kandayam paid by him be refunded to him. In reply, the Deputy Commissioner reported in his No. 17, dated 7th April 1891, that he had directed the lands in question to be resumed at once and made over to the Forest Department for planting purposes; and recommended the refund to Shanbhog Ramaiya of the purchase money as well as the Kandayam

				paid by him with interest, at 12 per cent on the latter amount. Subsequently, the Deputy Commissioner submitted a refund bill for Rs. 750-3-3 payable to Shanbhog Ramaiya. *Order thereon.*—On a careful perusal of all the records of the case, the Government observe that there was no fraud or irregularity in the sale of the lands under notice at which Shanbhog Ramaiya purchased them. The sale must therefore be confirmed. 2. As the sale however was held on the understanding that the purchaser should not cut the trees on the land for 5 years from the date of sale, *i. e.*, 2nd February 1889, the purchaser should not be allowed to cut them for that period, unless he pays in advance the assessment of all the 5 years *minus* that already paid by him for the past years. 3. Care should be taken that reserved trees are not cut, unless the purchaser of the land is willing to pay a fair price for them, in which case, it should be taken from him and the trees made over to him, excepting sandal if any.
9	10205—124.	14th	The Deputy Commissioner of the Hassan District.	Appeal No. 228 of April 1891. *Appellant* .. Timmappaiya of Hunaganahalli, Belur Taluk. Appellant claimed certain land No. 37 as his, and he at last agreed to have it transferred to the Pagoda in the village. The transfer was accordingly made. He then claimed the Patta in his own name. Appellant was unable at the hearing to urge any grounds for cancelling a Patta made at his own request in the name of the Pagoda. *Decision.*—Appeal dismissed.
10	10476—P. 189.	22nd	The Deputy Commissioner of the Bangalore District.	Appeal No. 166 of 20th April 1891. *Appellant.* *Vs.* *Respondent.* Timmappaiyana Sinappa of Gunjur, Bangalore Taluk. Sinappa. Appellant was in possession of a portion of the Shanbhog inam as Hissedar. It was subjected

				to full assessment in the Potigi Settlement. In 1890, Respondent, who is the working Shanbhog, took possession of the inam, on the ground that he was doing the duties of the office and was therefore entitled to have the inam. Appellant complained, but the Deputy Commissioner refused to restore him the inam, on the ground that the man that does service is alone entitled to have the inam. The appeal is against this order. The order issued by the Deputy Commissioner is clearly opposed to Section 28 of the Potigi rules in which it is clearly laid down that after the Potigi Settlement, the land in the possession of the shareholders should be allowed to remain with them, and that it does not form a part of the rumeneration of the officiator. *Decision.*—The Deputy Commissioner's order was therefore cancelled, and he was directed to put Appellant in possession of his inam at once.
11	10477—P. 227.	22nd	The Deputy Commissioner of the Mysore District.	Appeal No. 39 of 3rd April 1891. *Appellant.* *Vs.* *Respondent.* Subbaraya of Kagalvadi, Chamarajnagar Taluk. Sitaramaiya. Appellant's father was dismissed from his office of Shanbhog in 1888, and the appointment was given to Respondent who was his nephew. Appellant states that he divided from his father in 1880 and lived separately, and that therefore the appointment should be given to him. The division is supported by a stamped deed of partition and is admitted by the Respondent. *Decision.*—As there was nothing to show that the Appellant was in any way connected with the offence for which his father was dismissed, the Government directed that the appointment be given to him (Appellant).
12	10478—P. 44.	Do	The Deputy Commissioner of the Shimoga District.	Appeal No. 599 of 26th June 1891. *Appellants.* *Vs.* *Respondent.* 1. Malhari Rao. 2. 				was given to Respondent who was not connected with the family of the dismissed man. Appellants were not born when their father was dismissed and on this ground the suit brought by the Appellants for the office was dismissed. The appeal is against this decision. *Decision.*—Considered that Appellants had no claim whatever to an office which had passed away from their family before they were born. Moreover, the father of the Appellants who was dismissed for cheating Government is still alive. The decision of the lower Court was therefore affirmed and appeal dismissed.
13	10479—P. 69.	22nd	The Deputy Commissioner of the Kadur District.	Appeal No. 2546 of 24th December 1890. Letter No. 245, dated 2nd August 1891, from the Deputy Commissioner, Kadur District. *Appellant* .. Usmankhan of Dantarmakki, Chikmagalur Taluk. Petitioner purchased a Kan for coffee cultivation in 1864 for Rs. 200 in an auction held by Government, but the sale having been effected without the specification of the boundaries of the estate sold, petitioner was called upon to have the boundaries settled and get the land demarcated. He failed to get the boundaries settled, but in 1866 he stated that he sold the Kan to one Kannaiya Naik and that the boundaries might be settled in communication with him. Kannaiya Naik failed to get the boundaries settled and the land was resumed in 1868 and a portion of it has been subsequently granted to others. Petitioner now states that the sale to Kannaiya Naik was nominal, and requests that the purchase money may be refunded to him, or the estate restored. *Decision.*—Held that the restoration of the estate at this distance of time was out of the question, but the Deputy Commissioner was requested to refund the purchase money to the petitioner, if on enquiry he was satisfied that the alleged sale to Kannaiya Naik was not *bonâ fide* but nominal.

14	10480—P. 43.	22nd	The Deputy Commissioner of the Chitaldroog District.	Appeal No. 30 of 29th May 1891. *Appellants.* Vs. *Respondent.* 1. Rangappa. 2. Kencha of Honnehalli, Chitaldroog Taluk. } Brothers. Boraiya.

This is a claim for the office of Patel of Honnehalli. The Registers of 1845 and 1865 show that the uncle of the Appellants was the Hakdar of the office, but that he abandoned the office and went away to another village, some time before 1835. The office remained vacant for a long time and the duties were performed either by the Shanbhog or some other person without any orders from the District or Taluk authorities. In 1872, the Deputy Commissioner ordered one Marya to perform the duties of the office till further orders. Somehow, he ceased to perform the duties, and one Kadlappa officiated for some time without any orders, and at last the Deputy Commissioner appointed Respondent as Patel in 1879 as he was found to be qualified to hold the office. In 1890, Appellants brought a suit for the office, but the Deputy Commissioner dismissed it on the ground that the Appellants had forfeited their right to the office by lapse of time. The appeal is against this decision. The Appellants urge that the suit cannot be said to be barred by the Law of Limitation, since the Respondent has not been in office for upwards of 12 years. They also urge that some of the persons who performed the duties prior to 1879 did them at the request of the Appellants, but there is no evidence to prove this assertion, excepting the statement of one Kadlappa who performed the duties of the office for 2 or 3 years before the Respondent was appointed. He (Kadlappa) states that he performed the duties at the request of some old woman belonging to the Appellant's family, but the whole record shows that that the Appellants abandoned the office, and different persons performed the duties without any authority

Decision.—Held that though the suit was not barred by the Law of Limitation since the Respondent had not been in possession of the office for upwards of 12 years, still the Appellants had lost their right by continued absence from the village for upwards of 50 years. In the case of all appointments held on the condition of service, the performance of service is an essential condition

				for the preservation of the right, and in this case it was clear that the Appellants neither performed the service nor offered to perform it for a period of 50 years. The office having been thus abandoned for a long time, the Deputy Commissioner was justified in appointing Respondent unconditionally, and there was no reason for cancelling that appointmet. But in consideration of the prior right of the Appellants, and of the fact that the appointment was not filled up till 1879, the Government directed that the Appellants be registered as the hakdars, and their claims to hold the office considered when a vacancy occurs. To entitle them to claim the office when a vacancy occurs, they must of course live in the village and hold lands.
15	10481—P. 14.	22nd	The Deputy Commissioner of the Chitaldroog District.	Appeal No 2906 of 15th November 1890. *Appellant.* *Vs.* *Respondent.* Rangappa of Jigili, Davangere Taluk. Basanna. Appellant's father Odu Mallaiya, who was Patel, transferred his appointment to his uncle's son Rangappa in 1865. Appellant was not then born. Rangappa was dismissed in 1877 for certain irregularities in the collection work and the appointment given to Respondent who was one of the Hakdars, though not related to the dismissed man. Appellant brought a suit in 1889, and the Assistant Commissioner, finding that the Appellant was only 19 years old and that the suit was not therefore barred, decreed in favor of the Appellant with a remark that he should have the appointment by turns when rules are made for the same. Appellant states that his right has been recognized, the appointment should be given to him at once. *Decision.*—Held that the Appellant had no better claims to the office than the Respondent who is also a Hakdar, and that his claims could only be considered along with others when a vacancy occurs. Appeal dismissed.

				in enjoyment of separate Firkas. In 1880, Respondent was found to be unequal to his work and Appellant was appointed in his place. In 1882, Respondent appealed against the appointment of Appellant, and the matter remained undisposed of till 1890, when the Government directed that if the Respondent was only remotely connected with the Appellant and divided in interest, he (Respondent) might be allowed to have his Firka back and to nominate his own gumasta for the discharge of the work. The Deputy Commissioner, finding that Appellant was only a divided cousin of the Respondent, recommends that his Firka may be separated and restored to him. *Vide* his letter, dated 9th May 1891, No. 65—S. Appellant objects to this arrangement on the ground that (1) Respondent has no sons, (2) that he (Appellant) is his next heir, and (3) that the Shanbhogship is the self-acquired property of his (Appellant's) father. *Decision.*—Government could not accept any of the objections raised for carrying out the order already issued. Whether the property was ancestral or self-acquired, Appellant admitted that the Hak was divided and that Respondent had his Firka separately, and the question of succession was not a matter for decision at present. Under these circumstances, a copy of the Deputy Commissioner's letter, dated 9th May 1891, No. 65—S, was forwarded to the Survey Superintendent, with a request that the Firkas be divided as therein indicated, and the Deputy Commissioner was directed to appoint Respondent to Karehalli Firka with permission to nominate his nephew as his gumasta.

				transferred to the Appellant who was a divided cousin of the 3rd. In 1877, the Deputy Commissioner cancelled the arrangement and transferred the office and Umbli lands to the 1st Respondent who was born after 1868. In 1888 Appellant brought a suit against the 1st, 2nd and 3rd Respondents, and the Deputy Commissioner decreed the Hak in favor of the Appellant. The decree makes no mention of the Umbli lands. In 1889, Appellant petitioned the Deputy Commissioner to be put in possession of the Umbli lands. He * declined to do so, on the ground that Appellant had his Potigi allowance. Appellant then brought a regular suit before the Assistant Commissioner against all the Respondents for possession of the land, but he rejected the plaint and referred the Appellant to Civil Courts. Appellant brought a suit in the Court of Munsiff in 1891 and the Munsiff dismissed the suit as not falling within his jurisdiction. The Appellant now prays that the lands may be transferred to him. Full assessment is now being paid on the lands, but they are still shown in the accounts as inams. * Endorsement, dated 27th May 1889. It is not known how the 4th Respondent is connected with the case. He appears to be in possession of * some of the lands claimed. * S. No. 80. *Decision.*—Observed that although the Potigi rules did not contemplate the enfranchisement of service inams, inasmuch as they are declared inalienable, still the tendency of the rules seems to be to regard the official land subjected to additional jodi or full assessment, as no part of the official emolument. *Vide* Rule XXVIII. All Shanbhog and Pateli inams subjected to full assessment or on which a jodi has been imposed under the Potigi rules, can only be regarded as inams resumed by Government and allowed to remain with the holders to be enjoyed without the power of alienating them, till the next revision of assessments takes place (*vide* Rule XV). In this view of the case, the Appellant had no right to claim the inam land in addition to the Potigi allowance he gets under the rules. The inam in question had all along been in the enjoyment of the family of the 1st Respondent, and the Appellant had only temporary enjoyment of it between 1868 and 1877, when he had not the Potigi allowance. Under these circumstances the Government did not think that there was any necessity for disturbing the possession of the 1st Respondent. Appeal dismissed.

18	10990—P. 70.	22nd	The Deputy Commissioner of the Kadur District.	Appeal No. 501 of 25th May 1891. *Appellant* .. Sahukar Seshappa of Kasarvalli, Tirthahalli Taluk, Shimoga District. Appellant holds a supari garden in Pura of Koppa Taluk. In January 1890, he obtained from his tenant Venkataramanabhatta, 34 maunds of supari and removed it to another village in the same Taluk and placed it in the possession of one Muniyur Krishnappa, without obtaining a Kulvar Chit from the Patel according to usage and rules. In February, a complaint was received that Appellant smuggled the supari, and some time afterwards, Appellant applied for a Kulvar Chit in view to removing it to the Katté at Hariharpur. For the offence of removing supari without Kulvar Chit, the Deputy Commissioner fined Appellant in a sum of Rs. 300 against which the present appeal is made. The Appellant states that he removed the article without a Kulvar Chit, not with the intention of evading the payment of duty, but with a view of applying for a Kulvar Chit after making the arrangements required to send the article to the Katté, and that he was under the impression that he was only bound to take Kulvar Chit before the end of March and not earlier. Another argument brought forward against the fine is that there is no law under which he was bound to take the Kulvar Chit, and that therefore the non-taking of it cannot amount to an offence. *Decision.*—Held that the contention that the removal of supari without a Kulvar "Chit" was not a legal offence, could not be accepted. The usage and local orders under which Kulvar "Chits" are issued are as ancient as the duty itself and have certainly the force of law, but as, from the Patel's report, it appeared that Appellant year after year was allowed to take "Kulvar Chit" some time after removing supari from the garden, and as it was probable that he had no intention of evading the duty, the Government were pleased to reduce the fine to double the amount of the duty payable on the quantity removed without the "Kulwar Chit."
